Dear Hannah,

I am so happy to finally hear from you! Hope you are doing well. And yes, I can tell you a lot about our capital - Moscow.

Moscow is one of the biggest and most populated cities in Europe. It was originally founded by Yuri Dolgorukiy hundreds of years ago. For centuries this city has been the residence for Russians rulers and it still is. At one point in time the city was burnt down to ashes, but it got ^{was} reconstructed later.

There are a lot of places a tourist can visit in Moscow. Of course, the ~~one~~ place everyone should visit is the Kremlin. You can also visit the Armoury Chamber and the Diamond Chamber, those places are quite interesting. There is another place you should see - it is the Tretyakov Gallery. It has a lot of beautiful paintings and drawings by incredible artists.

Hope you found this information useful! Write me soon!

Lots of love,

Maria
